EDUCATING FOR A VIBRANT WORLD

## Privacy Policy

Teton Science Schools is sincerely committed to your privacy. This statement applies solely to the information collected from the Teton Science Schools website located at [www.tetonscience.org](http://www.tetonscience.org), other associated web properties, as well as applications and forms collected. Teton Science Schools' website contains links to other sites. Please be aware that Teton Science Schools is not responsible for the privacy practices of such sites. We encourage our users to be aware when they leave our site and to read the privacy statements of every website that collects personally identifiable information.

From time to time, we work with trusted partners. You may find our logo on partner websites. However, the data collected on these pages is not governed by our privacy policy. Your activity and information on these sites are governed, gathered and controlled by the privacy statement on the URL/domain address you are visiting.

Teton Science Schools does not sell or otherwise disclose donor or participant information outside of the organization. This policy has no exceptions: your information is not sold to or exchanged with any other organization, public, private or nonprofit.

### Personal Information

We collect personally identifiable information in a number of ways, including registration, medical and risk release forms, surveys, website forms and other data collection instruments. We may use information you provide to contact you with periodic notifications, updates, or messages regarding new programs and services. Users may opt out of receiving communications from Teton Science Schools at any time.

### Security

Our site has industry standard security measures in place to protect the loss, misuse and alteration of the information under our control. We take all reasonable steps to ensure the safety of your personal information.

### Surveys

At times Teton Science Schools will send surveys asking for specific contact or demographic information, such as personal preferences/opinions about specific programs or events. These surveys are always optional. The purpose of these surveys is to improve programs offered by Teton Science Schools.

### Testimonials

From time to time, Teton Science Schools will publish testimonials from its participants in marketing materials and on the Teton Science Schools' website. By communicating positive comments to TSS regarding programs and events, you consent to allow TSS to use those comments in whole or in part in promotional materials.

Inspiring curiosity, engagement and leadership through transformative place-based education.
